

## Every Month

there are thousands of women who nearly suffer death from irregular menses. Sometimes the "period" comes too often—sometimes not often enough—sometimes the flow is too scant, and again it is too profuse. Each symptom shows that Nature needs help, and that there is trouble in the organs concerned. Be careful when in any of the above conditions. Don't take any and every nostrum advertised to cure female troubles.

#### Does It Pay To Buy Cheap.

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles. "Boecher's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but also inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. ## ECZEMA SATANIC ITCH.

This most aggravating and tormenting of all skin diseases is caused by an acid condition of the blood, and unless relieved through certain instrumentalities too much of this acid poison reaches the skin and it becomes red and inflamed. The itching and burning are almost unbearable, especially when overheated from any cause. The skin seems on fire, sleep or rest is impossible, the desperate sufferer, regardless of consequences, scratches until strength is exhausted. This burning, itching humor appears sometimes in little pustules, discharging a sticky fluid, which forms crusts and scales. Again the skin is dry, hard and fissured, itches intensely, bleeds and scabs over. This is a painful and stubborn form of the disease. While Eczema, Tetter, Erysipelas, Salt Rheum and many like troubles are spoken of as diseases of the skin, they are really blood diseases, because

### THERE CAN BE NO EXTERNAL IRRITATION WITHOUT AN INTERNAL CAUSE.

If the blood is in a pure, healthy condition, no poisonous elements can reach the skin. External applications of washes, lotions and salves sometimes mitigate the itching and soothe the inflammation, but cannot reach the disease. Only S. S. S., the real blood medicine, can do this. S. S. S., the only purely vegetable remedy known, is a safe and permanent cure for Eczema and all deep-seated blood and skin troubles. It goes direct to the seat of the disease, neutralizes the acids and cleanses the blood, re-inforces and invigorates all the organs, and thus clears the system of all impurities through the natural channels; the skin relieved, all inflammation subsides, and all signs of the disease disappear.

Mrs. Lela M. Hoffman, of Cardington, Ohio, says she was afflicted with Scrofulous sores and Eczema on her back. Her face at times became so badly swollen that she was not recognizable, and her limbs were very sore. She was treated by all the doctors in town without being benefited, and in her desperation for relief, was told by an old physician to take S. S. S. She followed his advice and was promptly cured, and has never had a return of the disease. This was seventeen years ago. She sincerely believes she would have been in her grave years ago but for S. S. S., and adds, "what it has done for me it will do for others."

Send for our book on Blood and Skin Diseases, and write our physicians fully about your case; they will cheerfully give any information or advice wanted. We make no charge for this. Address, Swift Specific Co., Atlanta, Ga.

#### HOW TO TELL HER.

### Our Special Correspondent Gives the Boys a Straight Tip

ESTILL SPRINGS, June 11th.

Editors THE BOURBON NEWS: Capt. Thomas describes Estill, on Springs note-paper as a "Summer home," and I certainly always have that feeling about it. As I entered the gateway to-day, I felt like singing, "Home again, home again From a foreign shore."

There is something in the air that speaks of rest and peace. No matter how many guests come, they drop their worldly cares at the gate, like Christian's burden, and all is joy and innocent gladness upon the velvet sod and under the noble forest trees. You bubble over with joy. Charles Lever, in the preface to one of his novels, apologizing for the bounding spirits which ran away with him in the book, said that when he wrote it he felt "as one who rides a fresh horse over a swelling sward." That is it exactly.

The attention given to the grounds the last year or two is bringing forth fruit. The place looks now like a beautiful park where there had been a natural, instead of an artificial, treatment. Will Thomas is making a new path to the iron springs. He built an exquisite little rustic summer house over the spring last year. If I was a young fellow and had sweetheart, I would get her mama to take her to the Estill Springs, and then some dewy morning, when she had on a white dress and a big leg-horn hat, and looked like pink tea rose, I would brace up and ask her to go the the iron spring, and there in the little rustic summer house, after looking carefully around, I would take her hand and ask her to take me, and if she didn't after such a beautiful and romantic preparation, I would be glad I had lost her and would go back there with another girl.

The big opening ball will take place Thursday, June 21st. Will Thomas tells me he will have a finer band than ever this year, and if it beats last year it will be a peach. I think it will be one of the biggest balls he has ever given. Special trains will be run from several of the Blue Grass cities returning "after the ball is over." The young society people are awaking to the fact that Estill Springs is one of the finest places in the world to have a good time, under the courteous, charming management of Will Thomas.

Miss Elise Jones, of Alabama, a beautiful young girl, and one of the wealthiest women in the South, has been here this season. She has gone to New York, but will return within the next week, and will be here all summer.

From all indications the attendance this year will be very large. This is a delightful time to come, to "avoid the rush," though you can always get off to yourself, no matter how many people there are.

Notice a wrinkle of Will Thomas which struck me very favorably, and which I would recommend to other summer resorts. It is an illustration of how careful he is of the sanitary well-being of the guests. Every bright day from the time warm weather commences he opens all the unoccupied rooms, doors and windows and lets the sunlight and air penetrate ever corner, then closes them up at night. He has spent hundreds of dollars getting the grounds under and around the hotel carefully drained.

Some of the important improvements for this season will be a tennis court, golf links, and a long distance "phone" in a private room, so that guests can talk all over the United States.

Since the introduction of the porcelain lined tubs, the sulphur baths are one of the most attractive features of the springs, as well as one of the most healthful. There is an invigorating and delightful feeling in a sulphur bath which does not obtain in ordinary water. I am sure this is not imaginative. Senator Blackburn told me at the time of his return from Estill last season that he had been greatly benefitted by the baths. I am going to take one right now, so "no more at present."

Neglect is the short step so many take from a cough or cold to consumption. The early use of One Minute Cough Cure prevents consumption. It is the only harmless remedy that gives immediate results. It cures all throat and lung troubles. Children all like it and mothers endorse it. W. T. Brooks.

#### Question Answered.

Yes August Flower still has the largest sale of any medicine in the civilized world. Your mothers, and grandmothers, never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Sold by dealers in all civilized countries. oct-27-ly

Laws, Elvidge of Barrington, Ill., says he was cured of chronic asthma, of long standing by Pholey's Honey and Tar. It gives positive relief in all cases asthma, so this disease, when not completely cured, is reborn of all its terrors by this great remedy. Clarke & Kenney.

Starvation never yet cured dyspepsia. Persons with indigestion are already half starved. They need plenty of wholesome food. Kodol Dyspepsia Cure digests what you eat so that the body can be nourished while the worn out organs are being reconstructed. It is the only preparation known that will instantly relieve and completely cure all stomach troubles. Try it if you are suffering from indigestion. It will certainly do you good. W. T. Brooks.
